### Breed Open Show

#### Stakes Classes Critiques

I would firstly like to take this opportunity to thank the Committee of the Coton De Tulear Club of the United Kingdom for inviting me to judge the Stake Classes at their Annual Breed Open Show, and for the steward, who worked hard to make the show run smoothly and for a job well done. The effort the exhibitors made to present me with extremely well-prepared dogs were a credit to them and the breed.

#### **Progeny Entries 1 Abs 0**

**1<sup>st</sup> Place:** *Watson & Disney, Ms M & Ms L - Petit Casson's Omega at Happypaws, Happypaws In The Park, Happypaws Fancy Nancy, Happypaws Kiss N Tell, Happypaws Fancy Free, Happypaws Curious George.*

It was good to see 6 beautiful Cotons all from one family, in front of me. Ranging from puppy to adult and all shown in excellent condition. All of them moved well together and showed themselves off to their best. Very expressive faces with correct coat length for their ages. Moved out smartly all holding correct top line, head and tail carriage. The breeders should be very proud of what they are producing.

#### **Brace Entries 3 Abs 1**

**1<sup>st</sup> –Holley, Mr K and Mrs J, Valeast Jean Genie and Cotonkiss Ooh LaLa At Valeast.**

Lovely pair of Cotons shown in excellent coat of correct length. Both dogs were of same height and length. Moved out smartly with good drive aft. Correct top line and tail carriage on the move. Very expressive eyes. Well deserving of first place.

**2<sup>nd</sup>. Pearman, Mrs J - Rishlyns Cookie N'Kreem and Jespersens Ziggi Wiggi at Mopseycoton**

Another lovely pair of Cotons shown in good coat of correct length. Both dogs of same height and length. Very expressive eyes. Correct topline and tail carriage on move. Moved out smartly fore and aft. Unfortunately, a bit unsettled on the day.
